

Mary Rose Hat

We wanted to create a hat which represents the emblem and colours of the House of Tudor.

You will need:

4mm needles
4mm crochet hook
Sewing needle
Green DK yarn
White DK yarn
Red DK yarn
Yellow DK yarn

Abbreviations:

K – Knit

P - Purl

K2tog - Knit two stitches together

dc- double crochet stitch

tr - treble crochet

ch – chain

The pattern involves carrying yarn across but, to save on yarn, you only need to pick up the green and white yarns at the centre of the hat on each row.

Hat

Cast on 30 stitches in green

Rows 1 & 2: Knit

Now add the white wool

Row 3: Remembering to carry white across, K15 in green, drop green yarn, K15 in white

Row 4: P15 in white, drop white yarn, P15 in green

Repeat these two rows 5 times more

Row 15: K2tog 8 times in green, K2tog 7 times in white (15 stitches)

Row 16: Purl keeping pattern correct

Row 17: K2tog 4 times in green, K2tog 3 times in white, K1 (8 stitches)

Cut the yarn leaving a 10cm tail. Using sewing needle, pull remaining yarn tightly through the remaining stitches and sew up the sides.

Rose

Step 1: In yellow, create a magic loop with 10 dc

Step 2: Join in white using a slip stitch

Step 3: 1dc, 3tr, 1dc into the first stitch on the magic loop

Step 4: Skip a stitch on the magic loop and in the next stitch slip stitch then 1dc, 3tr, 1dc

Repeat step 4 three more times to create 5 petals

Step 5: Slip stitch into the base of the first petal and bind off

The next step works on the back of the white rose to create a base for the red rose.

Step 6: Turn the white rose over and use a slip stitch to add red yarn to roughly the gap between two white petals

Step 7: Ch4, slip stitch into roughly the gap between two white petals. Repeat until ring is complete

Step 8: Turn white rose back over. Into current stitch on ring, 1dc, 4tr, 1dc

Step 9: Skip 2 stitches on the ring and in the next stitch slip stitch then 1dc, 4tr, 1dc

Repeat step 4 three more times to create 5 petals

Step 10: Slip stitch into the base of the first petal and bind off
