

# Build your Own Master Gunner's Flagon

LID

BASE

The lid of this one-gallon flagon carries a Latin motto 'SIT DEUS NOBIS CUN[quidam] QUID CONTRA NOS' ('If God be for us whocan be against us?') around a rose and crown motif containing three feathers, and there is a rather finely incised cannon across three staves which, when viewed sideways, takes the figure of a man with his head to the right, apparently holding a gunshield.
