

The Mary Rose Museum

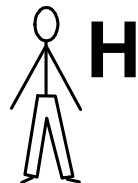

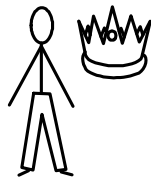

The Mary Rose was a war ship.

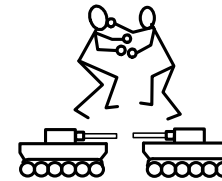

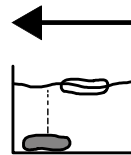

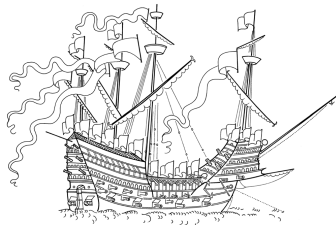

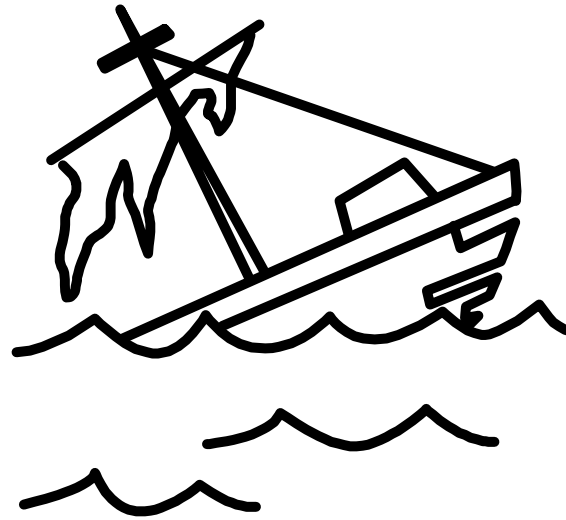

The Mary Rose belonged to

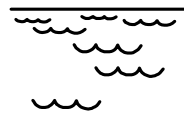

8

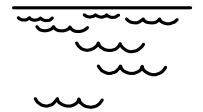

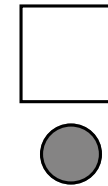

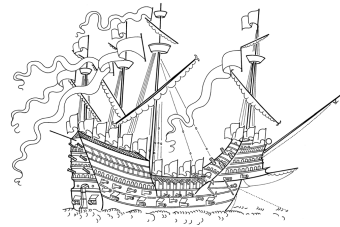

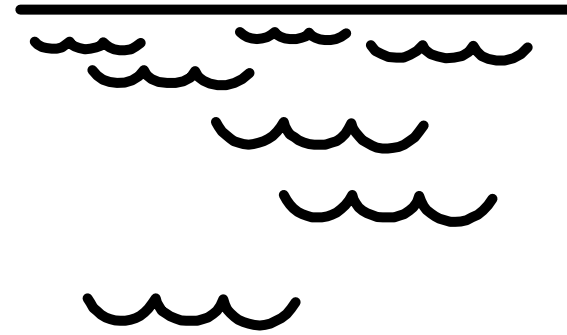

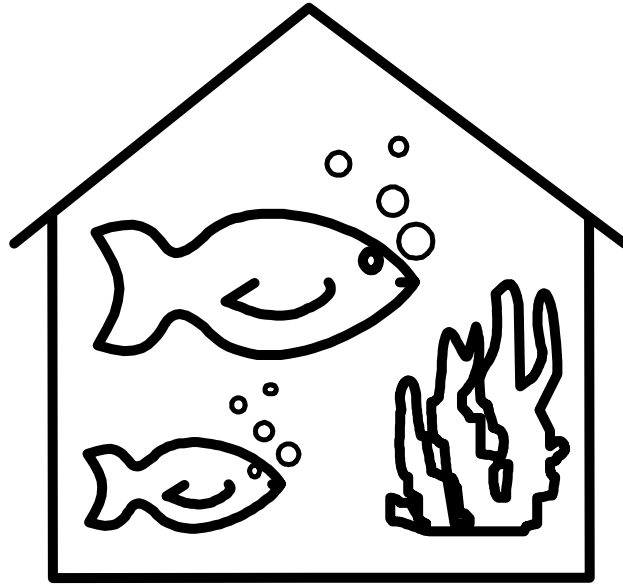

King Henry the Eighth.

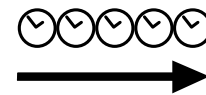

The Mary Rose sank in battle at

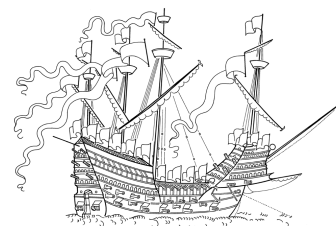

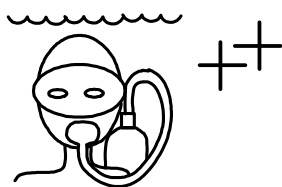

sea.

The Mary Rose was under the sea

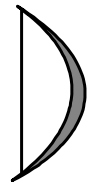

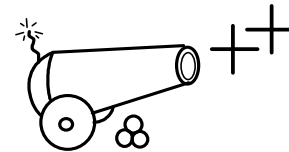

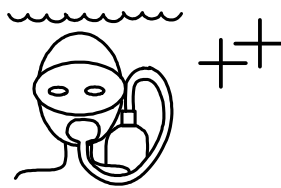

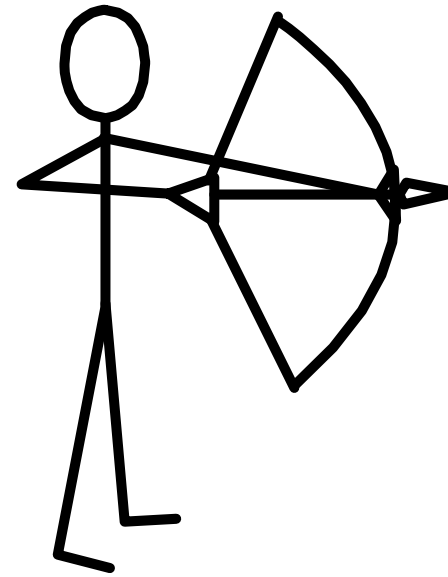

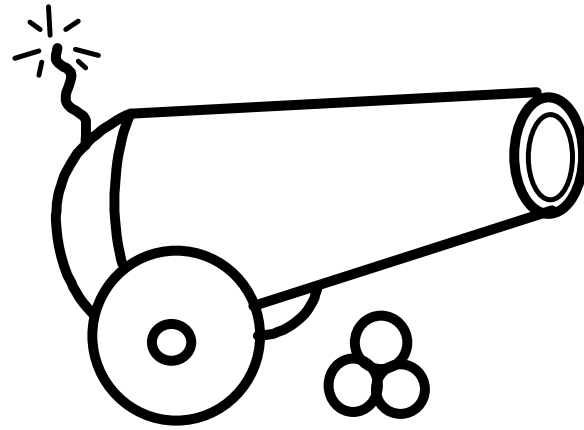

a long time.

Divers found the Mary Rose

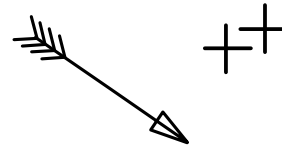

shipwreck

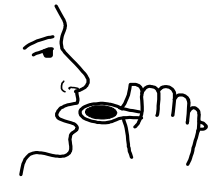

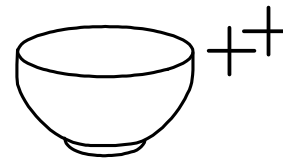

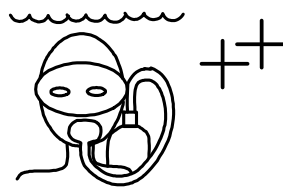

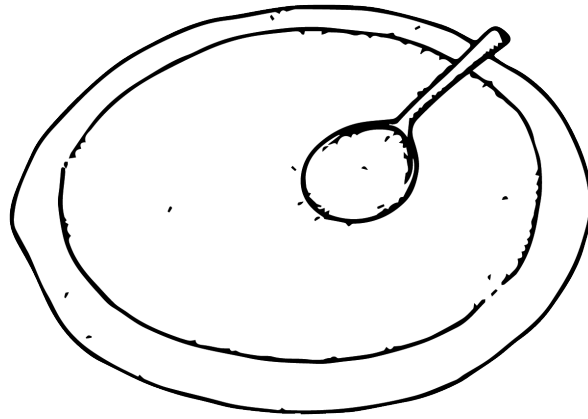

The divers found cannons and bow

+

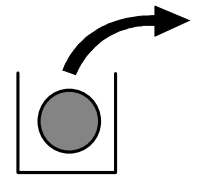

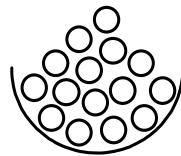

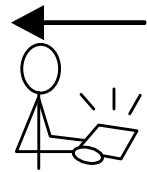

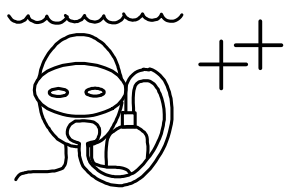

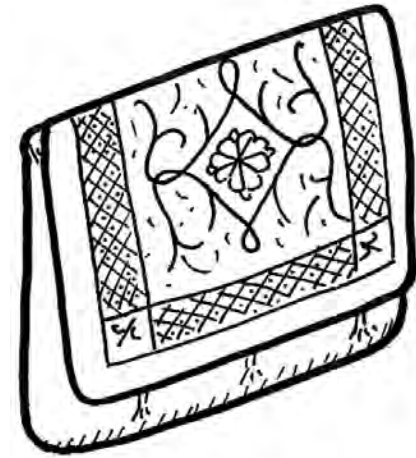

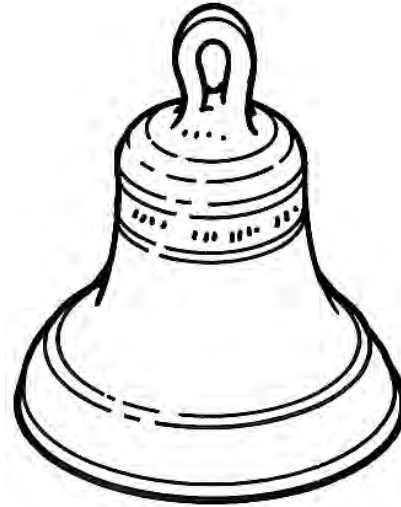

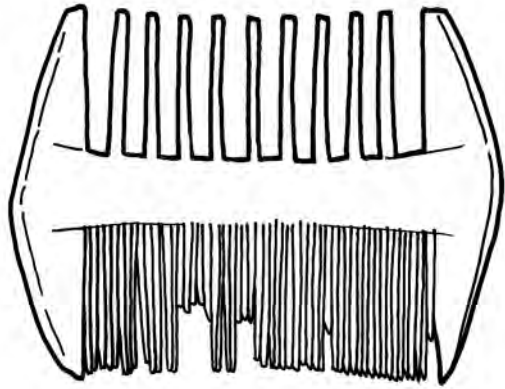

and arrows.

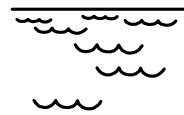

The divers found bowls for eating

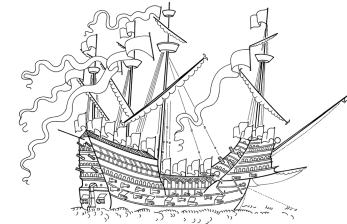

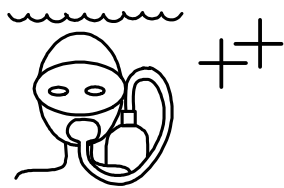

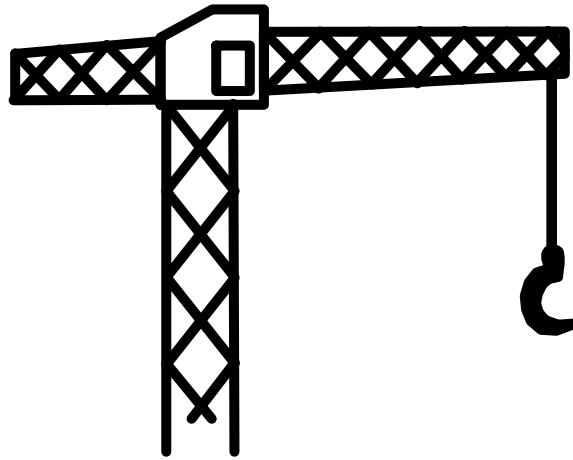

and cups for drinking

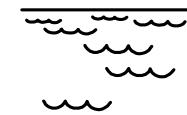

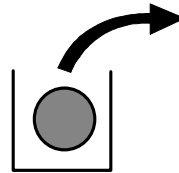

The divers got lots of objects out of

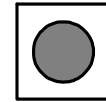

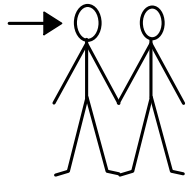

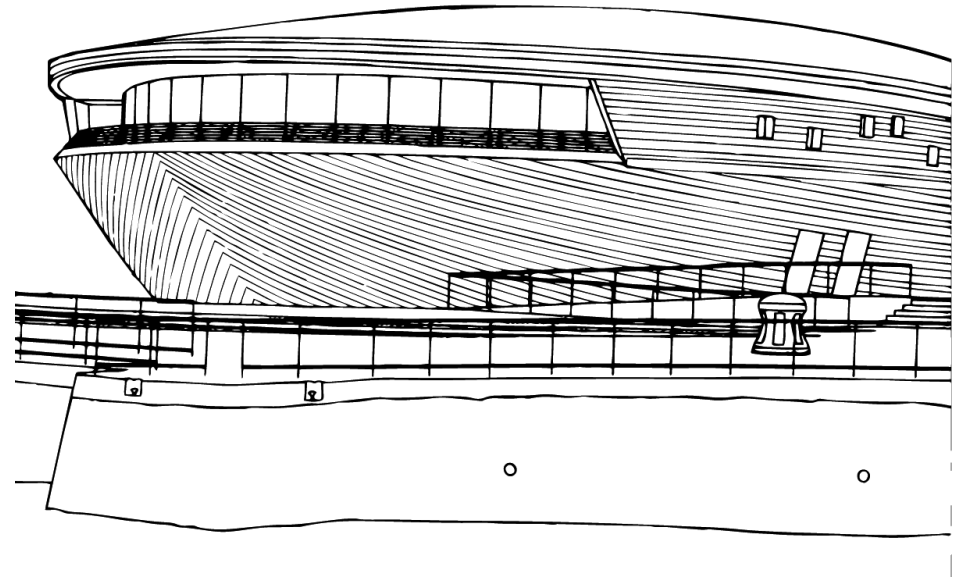

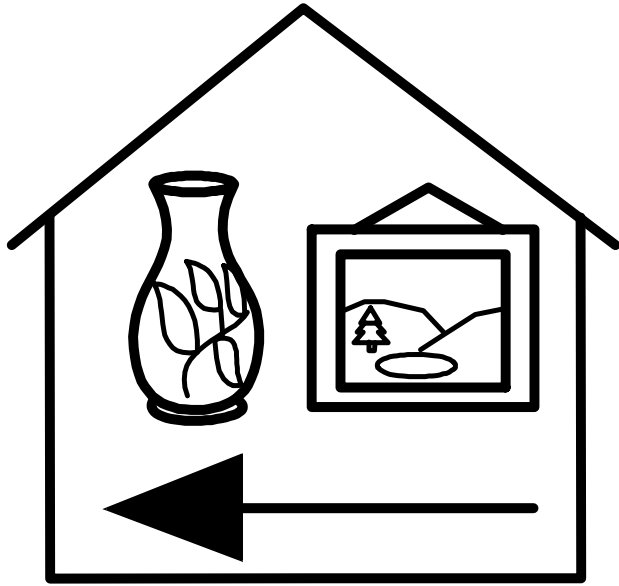

the sea.

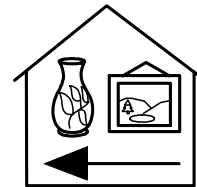

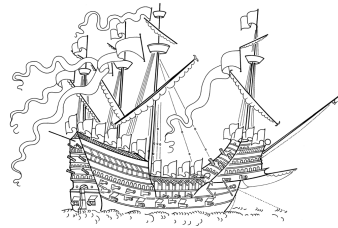

The divers lifted the Mary Rose

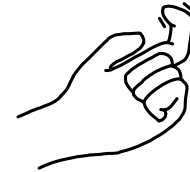

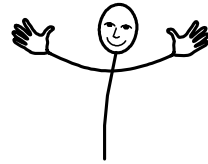

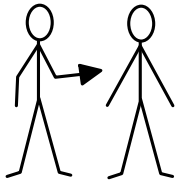

shipwreck out of the sea

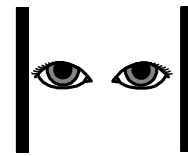

They put the objects in the

Mary Rose Museum

You are welcome to come and visit

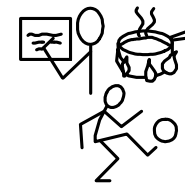

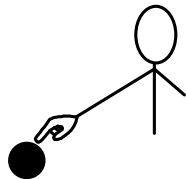

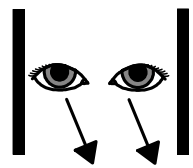

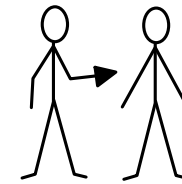

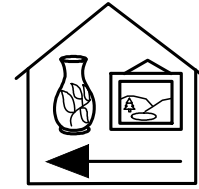

the museum to see the objects and

the shipwreck
