Groups can follow in Nelson’s footsteps on board world famous HMS Victory, best known for her role in the battle of Trafalgar. Groups can enjoy access to every deck of the ship including Hardy’s cabin and the poop deck and a full audio guide is included in the visit. New for 2021 - groups can now explore the newly opened walkway underneath the ship for a thrilling new experience!

HMS WARRIOR
The great HMS Warrior is an icon today as much as it was 150 years ago during the Age of Steam. Groups can explore four decks, including the captain’s cabin and experience what life would have been like in Queen Victoria’s Royal Navy.

HMS M.33
Groups can descend into the ancient dry dock that is home to the ‘lucky ship’ HMS M.33. This ship is just one of three still in existence from World War I. Immerse yourself in moving accounts retold right from the heart of the ships engine room, through an explosion of audio-visual effects.

THE NATIONAL MUSEUM OF THE ROYAL NAVY PORTSMOUTH
Take in 350 years of British Naval History brought to life all in one museum to explore. Listen to the stories of men, women, and ships that served the Navy for the last 100 years in the museums ‘Hear My Story’ gallery. Groups can also enjoy ‘The Sailing Gallery’ and ‘The Nelson Gallery’ plus more.

ROYAL NAVY SUBMARINE MUSEUM

A must visit for all those interested in something new and different that you don’t do every day – like squeezing inside a ‘hunter killer’ submarine!

EXPLOSION MUSEUM
Also across the water in Gosport is a blast of an attraction the Explosion Museum of Naval Firepower. An interactive museum housed in the Navy’s former Ordnance Depot, Priddy’s Hard. A place of potential danger and disaster, Priddy’s Hard survived unscathed for over 100 years as the centre of making, stashing and transporting deadly weapons.

HARBOUR TOUR
Groups can get out on the water and feel the sea spray and breeze on the ever-popular 45 minute Harbour Tour. Hear live commentary from the skipper detailing the ships in dock and important landmarks of Portsmouth Harbour, whilst getting up close to Royal Navy giants!
