

The Master Gunner

The Mary Rose was one of the first English ships designed just as a warship. She carried lots of heavy guns. The bigger guns had a gunner in charge of the gun crew.

There were 30 gunners on the Mary Rose in 1545.

Activity One: Join the dots to uncover the mystery object found on board the Mary Rose.

Activity Two: The Mary Rose was Henry VIII's favourite warship. Find words relating to Tudor weaponry in the wordsearch below.
