FOOD ALLERGIES & INTOLERANCES

Whilst we take every precaution to reduce the risks from cross contamination, please be aware that we prepare many of our products on site.

Ingredients used across our product range contain a wide range of allergenic ingredients, including, but not limited to, nuts, sesame, milk and gluten. Consequently, there may be traces of various allergens present across our product range.

We'd love to tell you what's in our food and help assist you with your choice.

Please speak to one of our Allergy Champions who are trained to provide advice on the ingredients in our food and the steps we have taken to avoid cross-contamination.
